Purchase of this policy and the benefits it offers is optional.

1 Motor Legal Expenses Insurance. Following an accident that is NOT Your Fault, if you do not have Motor Legal Expenses Insurance, any solicitor or law firm you appoint to pursue compensation for personal injury may enter into an agreement with you, commonly known as NO WIN NO FEE.

This means, they can take up to 25% of the damages awarded to you as a success fee. If you receive £2,500, a 25% success fee means you will only keep £1,875. **You can protect yourself from this scenario.**

WIN your claim and this policy guarantees that you receive every penny of compensation awarded to you. If you receive £2,500, you will keep £2,500.

LOSE your claim and this policy covers yours and the other party's legal costs up to £100,000.

Any passengers who are injured, including family members, friends or colleagues are also covered and like you are guaranteed to receive every penny of compensation awarded to them.

2 Motor Prosecution Insurance. If you receive a notice of intention to prosecute you for a motoring offence, which you believe to be unfair or wrong, subject to reasonable prospects of success, this policy provides cover up to £100,000 for the costs and expenses of hiring a solicitor to defend you.

3 Motor Contract Dispute Insurance. Claim example - You have put your van in for service and a cam belt replacement. The garage charge for all the work but they don't replace the cam belt. The engine later fails due to the original cam belt breaking but the garage are refusing to make good the damage. This policy will appoint and pay the legal costs up to £100,000 for a solicitor to pursue your claim for compensation.

4 Managing Your Motor Claim. Whatever type of motor claim you have, Your Fault, NOT Your Fault, Theft, Vandalism, Fire, Flood or Glass, you will have a claims handler, dedicated to you, who will manage the claim on your behalf.

5 24/7 Accident Recovery. If your van is immobilised at the scene of the accident we will recover you, your van and any passengers to a destination of your choice within 20 miles of the accident location (max. vehicle weight 3.5t GVW).

6 Uninsured Loss Recovery. If you are involved in an accident that is NOT Your Fault, you may have losses that are not covered by your motor insurance policy. These are called your Uninsured Losses and can include:

- Your policy excess and any loss of earnings you suffer.
- Transport costs you incur as a result of being without your van (van hire, bus fares, taxi fares) and any personal items damaged in the accident.

Motor Insurers usually allow you to keep your no claims discount if you are able to claim back these losses.

This policy provides you with an expert in claims recovery to do this for you.

7 Replacement Hire Van and Funded Repair. If your van is off the road following an accident that is NOT Your Fault, then subject to circumstances, we may be able to arrange:

- A replacement van suitable to your needs to keep you mobile.
- Funding for repairs to your van which means you will not have to pay your policy excess and your claims record should not be affected.

As you are not at fault for the accident, the costs of these services will be recovered from the fault party's insurer.

8 Guaranteed Courtesy Car. If you don't need a replacement van and you make arrangements for repairs following a fault accident to be completed by a BDElite Approved Repairer, we guarantee the Approved Repairer will provide you with a 1.2L small manual hatchback courtesy car.

9 Total Loss Negotiation. Should your van be deemed a "write off", your dedicated claims handler will help you negotiate an agreed settlement with your insurer.

10 Glass Repair and Replacement Service. In the event that you suffer glass damage, we will help you arrange for the repair or replacement to the glass.

11 Claims Assistance Pack. We want you to be able to contact us for assistance as soon as you need it. To ensure that you can, we provide you with a:

- Glove Box Card to record the accident details.
- Key Tag with our helpline number for your van key.
- QR Code that allows you to scan our helpline number into your smartphone.

12 Key Recovery Service. It can be very expensive to replace a lost van key. The Key Tag tells the finder how to return your key and there is a finder's reward to help increase the chance of the key making its way home to you.
